Insurance

The standard insurance excess is \$850; this is the maximum amount you would have to pay for damage to the vehicle. Full cover is provided for fire and theft.

Collusion Damage Waiver (optional)

Cost: \$10 per day or maximum of \$180 per hire.

This option gives you a zero insurance excess, which means if you have an accident, even if it was your fault, it will cost nothing. In both cases the security bond is just a creditcard slip, so no actual payment. This way the bond does not affect your travel budget!
