

Introducing the Backpacker Breezer.....

Experience a high quality vehicle, with newly fitted interior and sleeping capacity for 2 people - at a fabulous low cost!

We have taken the reliable 1999 Toyota Hiace and fully serviced, cleaned and polished it to generate a great quality base vehicle. We've then striped the rear and built in fresh, easy to clean flooring and added brand new living and kitchen equipment. There's also a set of roof racks on top: ideal for carrying a surfboard!

The Breezer rates will be based on Smartrates. Available for bookings from 23rd April 07, with travel from 01 May 07, the Breezer will be available from Melbourne, Sydney, Brisbane and Cairns.

Why it's a breeze to sell the Breezer:

- Driver minimum age 18 yrs old!
- Full THL service, cleaning and 24 hour roadside support
- 3 day minimum hire
- 10 day minimum hire for one-way rentals – no fee
- No different insurances or surcharges if under 21 yrs
- Excess \$1000 (banked), \$10 per day reduces this to \$500 or \$20 per day reduces this to \$100
- Excellent storage
