The Buzza is the perfect Campervan for a couple or a small family with everything you need to travel in comfort.

Explore New Zealand's diverse land, culture and people. With a campervan you get to travel right into the heart of New Zealand and have an unforgettable experience.

Note: In the event that this vehicle is not available, a similar vehicle will be provided.

Important note:

In this vehicle the baby seat needs to be strapped in the front passenger seat with the diagonal seatbelt by law. Any other travellers will need to sit in the middle. As this may be a tight fit it is recommended that when travelling with a baby a 4 berth vehicle is hired.
