

WK compact hitop shower toilet

This model's comfortable layout and easy driving make it a very popular campervan in New Zealand. It offers a small shower and porta potti cassette toilet. The Koru 2ST campervan is compact yet unique in its ability to provide diversity at a good price. This model is built in our very own factory in Auckland. This campervan has generated a lot of positive feedback and therefore developed a solid reputation throughout New Zealand.

The features also include a gas stove, sink and hot & cold running water. A power saving 12 Volt fridge, dual battery system and self containment certificate gives you the freedom and independence to camp up to 48 hours off the beaten track.

If you are a price conscientious traveller, this is the right vehicle for you.

This vehicle is certified self contained in accordance with New Zealand Standard:5465:2001.
