Late Return

You will continue to be responsible for the rental of the

Failure to obtain an authorisation for a rental extension

will result in a late fee of AU\$150 per day in addition to

the daily rental rate plus the daily rate charge applicable

to your Liability Reduction Option for each day until the

Vehicle is returned. The daily rental rate charged will be

the rate applicable on the day of extension which may

differ from the original rate booked. These charges will be

applied to the Customer's credit card on a daily basis until

the Vehicle is returned.

Early Bird Discounts

The Early Bird Discount of 5% applies to rentals that

combined to qualify for a Long Term Discount. Rentals can

be combined to qualify if travel is within a 3-month period.

If a drop off of a vehicle and a pick-up of a new vehicle

occur on the same day then a day each will be charged per

respective vehicle. Multiple rentals are treated as separate

rentals under the one way fee and minimum rental period

conditions.

Rental Extensions

If the Customer wishes to extend the rental whilst on hire,

they must first obtain authorisation from Cruisin by calling

1300 664 485 or +61 3 6248 4789. The extra days will be

calculated by using either the original rental rate or the

current rate that is valid at the time of the booking change,

depending on whichever rate is higher plus the daily rate

charge applicable to your chosen Liability Reduction

Option. Rental extension is subject to fleet availability.

The extra cost of an extended rental must be paid by the Customer by credit card on confirmation of the rental extension.

Failure to obtain authorisation will result in the renter being charged at the Late Return rate outlined above.

Booking Amendments

If you make changes to your booking the booking will be calculated by using either the original rate for the vehicle or the current rate that is available at the time of the booking change depending on whichever rate is higher. Cruisin' considers the following as booking amendments

- Change of depot location for vehicle pick-up or drop off
- Change of vehicle category
- Change of rental date for vehicle pick-up or drop off

If an amendment is made to the rental dates within 14 days of collection, no refund will be made if the length of hire is shortened (that is; the rental will be charged at the number of days originally booked). A relocation fee may apply if the collection or return location is amended within 14 days of vehicle pick up or if notification occurs during the hire. Booking Amendments are subject to fleet availability. If your booking travel dates are amended within the cancellation fee period to be outside of the cancellation fee period and is subsequently cancelled, the cancellation fee for the original booking will apply.
